This Toshiba labtop satellite c50 is a faulty machine. On the manual it says it had an eject button for to open the CD drive unfortunat ely it does have one.

TOSHIBA SATELLITE C50 USER MANUAL Pdf Download.

Many users never actually get as far as the user manual. It is often tossed aside as being either secondary, or just too difficult to deal with. When this happens, the user, the product and the writing team all suffer in some way. In order to get past this point the user manual must make a strong

Tips for writing user manuals - User experience UX

A user guide or user's guide, also commonly known as a manual, is a technical communication document intended to give assistance to people using a particular system. It is usually written by a technical writer, although user guides are written by programmers, product or project managers, or other technical staff, particularly in smaller companies.

I found your article, "How to Publish a Great User Manual," to be a bit naive and amusing in its simplification of a profession. As a broadly and variously experienced technical writer familiar with not only the profession, but also the history of and research in the area of technical writing, please understand that:
